

IRISH DEXTER CATTLE SOCIETY

Slaughter Scheme Application 2021

TO AVAIL OF THE SCHEME THIS FORM MUST BE COMPLETED AND RETURNED

This slaughter scheme is for full members of the Irish Dexter Cattle Society.

Animals must Pure Bred Pedigree Dexters.

Animals must be grass fed and Bord Bia Quality Assured.

Animals must be well finished and be under 36 months old.

In the event of the scheme being oversubscribed oldest animals will be accepted first.

In certain circumstances animals may be accepted from non members, provided the animals fit all other criteria.

Animals deemed poor quality and unacceptable will be rejected; the owner of such animals will be informed to collect them before 5pm on the day of the kill.

Owner will be responsible for any and all transporting of animals.
