5. Fill out the billings & card number section and click **Place Order**. Once your Credit Card details have been verified you will see the transaction successful screen, you will also receive an email verifying the payment.

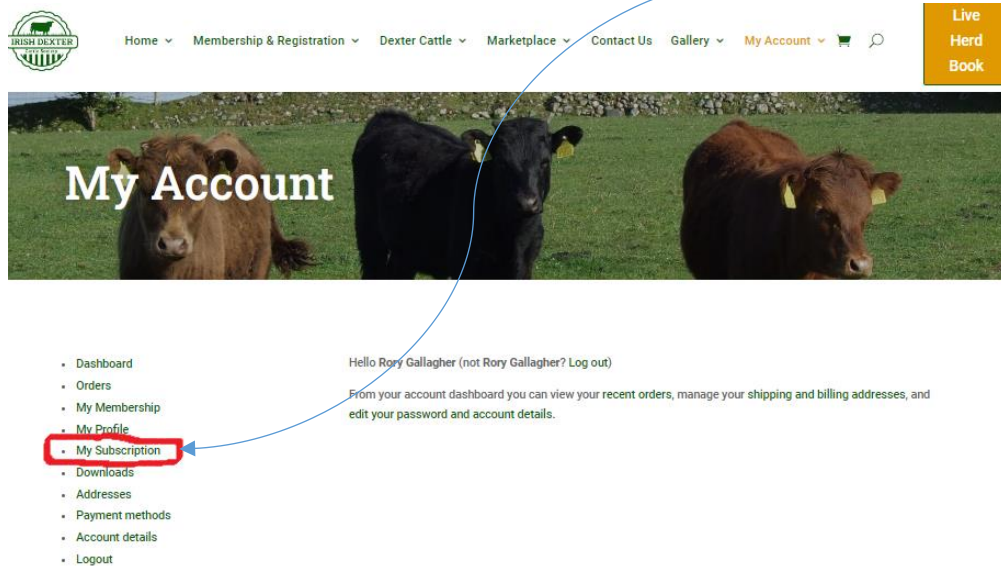

This system is very secure & will insist on an additional verification step (this is called 3D verification). It usually takes the form of a notification to you phone to either swipe approval on a banking app or a code to enter.

**Note - If your phone is not registered with your bank for this option, your card will not work.**

# Membership Renewal from the account Dashboard

1. Login and go to the account dashboard as before. Click on **My Subscriptions**

2. You will be brought to Membership status area. To renew your membership click **Renew Now**

Fill out the billings & card number section and click **Place Order**. Once your Credit Card details have been verified you will see the transaction successful screen, you will also receive an email verifying the payment.

This system is very secure & will insist on an additional verification step (this is called 3D verification). It usually takes the form of a notification to you phone to either swipe approval on a banking app or a code to enter.

**Note - If your phone is not registered with your bank for this option, your card will not work.**

Alternatively for renewal, you can select **Membership & Registration** and then **Membership New & Renewal** from the main menu
